

The Dent de Vaulion

Closing the Vallée de Joux, the Dent de Vaulion is an ideal snowshoes tour goal. Its moderate altitude induces that the altitude gain to reach it is not too important. Moreover, its separate situation leads to the fact that in spite of its moderate altitude, the viewpoint is exceptional. One can see, during nice days, even the Pre-Alps of Central Switzerland.

Price:

For the current prices, please refer to the on-line programme.
