

Pas de Cheville

Pas de Cheville is not a well known name unless one cites the Alp that it leads to: Derborence. In fact, Derborence is a place that has been magnificently described by C.F. Ramuz in the same named novel that is based on a real event: the collapse that started from Diablerets. Pas de Cheville is a pass that enables to reach the basin in which this Alp is located starting from Canton of Vaud.
