

Pointe d'Arpille

This tour is a bit special since, at the start, we will be with the crowd of skiers. Indeed, at first we will take the chairlift of Mazots.

From the upper station, we will follow the summer road to reach the Col de la Croix. From the Alp Croix, we will enter a more remote world and we will climb Pointe d'Arpille, beautiful belvedere onto Culan and Diablerets.

The descent, longer, will be done along the path following Torrent de Culan.
