

## Montagne de Sous-Dîne

The foothills of the Bornes range is made of karst terrain. Montagne de Sous-Dîne and nearby Parmelan are no exception to this rule.

From the Cheneviers, we will first take the forest path to reach the Col de l'Enclave. From this point, the view will open on the valley of the Fillière. Higher up, the view will widen on the Mont Blanc range. For the descent, we will take the Passage du Monthieu.

### Price:

For the current prices, please refer to the on-line programme.
